

Independent Consultant

National Consultant to develop informational materials and job aids for an improving utilization and quality of priority maternal and child health and nutrition services

The Clinton Health Access Initiative, Inc. (CHAI) is a global health organization committed to saving lives and reducing the burden of disease in low-and middle-income countries, while strengthening the capabilities of governments and the private sector in those countries to create and sustain high-quality health systems that can succeed without our assistance. For more information, please visit: <http://www.clintonhealth-access.org>

Project Background

CHAI is awarded a contract from National Committee for Sub-National Democratic Development Secretariat (NCDDS), an interministerial committee mandated to oversee the policy reforms on decentralization and deconcentration and the implementation of a 10-year national program. NCDDS is currently implementing Cambodia Nutrition Project, a five-year Multidonor Grant project (2019-2024), with a goal of improving utilization and quality of priority maternal and child health and nutrition services in 7 provinces namely Mondul Kiri, Ratanak Kiri, Kratie, Stung Treng, Preah Vihear, Kampong Chhnang, and Koh Kong provinces. we are seeking high motivated individual or independent consultant for this position.

Independent Consultant, based in Phnom Penh, full job descriptions can be found at:
